

Follow up on presentation for winning mindset.

If you were not at meeting watch YouTube video on mindset very important. It is about 20min long, and extremely important about what we do in our program.

[Gene Zanetti Video](#)

- We will do 4 sessions with the winning mindset company with the varsity program.
- We believe to take the next step many of our athletes can make huge gains through one-on-one training.

As an athlete and individual in life there have been a few things that have positively changed the course of my life. I believe this is one of those tools and opportunities that could do the same for your child.
Coach Bronson

Use link if interested in free session/ more information on one-on-one training for your wrestler.
